**“Coast to Coast ..... a taste of Canada”**

Rembrandt Homes together with Bethanys Hope Foundation present, **“Coast to Coast ...a taste of Canada”** premiere Charity Dinner at the London Convention Centre on **Thursday, April 27th, 2017**. Food Network Star, Canada’s best known chef and our long-time friend, Chef Michael Smith is thrilled to host this extraordinary culinary event. Along with four top chefs from across Canada, we are celebrating Canada’s 150 with a culinary adventure exploring the field to fork movement.

The adventure begins with our fabulous cocktail hour with 5 exciting appetizer *“live-action”* Stations hosted by our talented Chefs, including the always popular P.E.I. Oyster Bar with Chef Michael. This is followed by dinner consisting of a spectacular six course presentation, featuring each Chefs signature flavours from across Canada. There will be an opportunity to participate in our ever popular Signature Cocktail Raffle as well as bid on our amazing donated Gifts in the Silent / Live Auctions.

Due to the support of this generous community and our dedicated volunteers, we have completed over 20 years of Leukodystrophy Research here in London!! This is very exciting time for Bethanys Hope Foundation as we begin our dash to the finish line. A Clinical Trial is on the horizon and we are finally finding the answers to treat Metachromatic Leukodystrophy (MLD)! Due to the support of folks like you, we are collectively on the verge of finally ending this nightmare for the children and families of MLD! Funds raised from our **“Coast to Coast ...a taste of Canada”** Charity Dinner will go directly to our Clinical Trial, conducted through *“Bethanys Hope Leukodystrophy Research Laboratory”* under the direction of Dr. Tony Rupar of Western University.

We sincerely hope you will join our many friends at our **“Coast to Coast”** - Charity Dinner to help us make a difference! Each \$200.00 ticket purchased will include a \$25.00 Tax Receipt.
