“2nd Annual Charity CornHole Tournament” - March 23, 2024

You're Invited!! It's time to gather, play and celebrate at Bethanys Hope's **2nd Annual Charity CornHole Tournament** in support of Leukodystrophy Research! We are all so excited and grateful to have survived the many challenges of the pandemic over the last 3+ years! It gives us immense pleasure to invite you and your Corporate Team(s) to join us on **Saturday, March 23rd**, at the wonderful *Delaware Community Centre*, as our we host another premiere...fun CornHole Tournament!

This Charity Tournament has been organized as an afternoon of friendly competition, music by Jay Davis Live, great food and a bar service. We have capacity for 60 Teams of 2 Players per Team. We encourage everyone to be sure to come up with a Team Name & Themed Outfit to add to the fun! Trophies will be awarded to the *Winning Team*, the *Team with the Most Funds Raised* & the *Best Dressed Team*. You are guaranteed at LEAST Five (5) GAMES in a Double Elimination format.

Thanks to so many in this generous community we have completed over 28 years of uninterrupted cutting edge Research for Leukodystrophy (MLD)...at London's own Children's Health Research Institute... but we have more work! This is both an exciting and daunting time as we collectively begin the final push to fully fund a Clinical Trial under the supervision of Health Canada! All revenue generated from **“The CornHole Tournament”** will support the Clinical Trial, conducted through **“Bethanys Hope Leukodystrophy Research Laboratory**, under the direction of Dr. Tony Rupar of Western University

Registration and all the information about our CornHole Tournament last year can be found on our Website @ <https://bethanyshope.org/charity-cornhole-2023/> including all the photos in the *Memento Slideshow*.
