“Charity CornHole Tournament” - Corporate Sponsorship

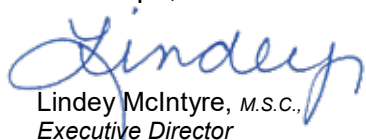

It's time to gather, play and celebrate at our **3rd Charity CornHole Tournament** in support of Leukodystrophy Research! We are all so excited and grateful to have survived the many challenges over the last 4+ years! On behalf of Bethanys Hope Foundation and our friends at Oxford Dodge Chrysler Jeep it gives me immense pleasure to invite you and your Corporate Team(s) to join us on **Sunday, October 6th, 2024** at the beautiful *Oxford Dodge Showroom*, as we host another exciting – fun CornHole Tournament. We are asking you to support our Charity CornHole Tournament as a **Community Corporate Partner - Beverage Sponsor**. We are very grateful for your support in April at the Delaware Tournament! We understand the tremendous demands on the business community for charitable contributions but we desperately need your help and leadership to reach our funding goals for 2024/25.

This is a perfect opportunity for some great *Networking/Team Building* within your business! Our Charity Tournament (19+ Event) has been organized as a day of friendly competition with Live Music, great BBQ as well as a Licenced Cash Bar. We have capacity for 50 Teams of 2 Players per Team. Each Team is guaranteed at LEAST Five (5) GAMES in a Double Elimination format. We encourage everyone to be sure to come up with a unique Team Name & Themed Outfit to add to the fun! Prizes will be awarded to the *Winning Team*, the Team with the *Most Funds Raised* & of course the *Best Dressed Team!!*

Thanks to so many in this generous community we have completed over 29 years of family support and uninterrupted cutting edge Research for Leukodystrophy (MLD)...at London's own Children's Health Research Institute... but we have more work! This is both an exciting and daunting time as together we begin the final push to fully fund a Clinical Trial under the supervision of Health Canada! All revenue generated from our **“CornHole Tournaments”** will support the families-children of MLD as well as the Clinical Trial, conducted at *“Bethanys Hope Leukodystrophy Laboratory”*, under the direction of Dr. Tony Rupar.

Thank-you for your consideration....I look forward to discussing all the details in this Sponsorship Package with you in the near future. All the information about our Foundation and past Tournaments with photos can be found at www.bethanyshope.org.
