“SOMEWHERE OVER THE RAINBOW” - A night of Hope...!

It's time to gather and celebrate on **Saturday, February 28th, 2026** when our Foundation will present a premiere culinary fundraising Gala appropriately named, **“SOMEWHERE OVER THE RAINBOW”** at the very distinguished *London Hunt and Country Club*!

We respectfully invite *you* to support **“SOMEWHERE OVER THE RAINBOW”** as a *Community Corporate Partner*. We understand the tremendous demands on the business community for charitable contributions but we desperately need *your* help...*your* leadership to reach our funding goals for 2026/27. Our Research Team cannot cross that finish line without community support! I'm hopeful that one of our many unique *Corporate Sponsorship* opportunities enclosed with this letter will be a perfect match for you and your business/marketing!

Your experience will include our fabulous cocktail hour with the Hunt Club's amazing canapé offerings, a spectacular seasonal dinner created by their *Executive Chef* Michael Stark as well as Silent & Live Auctions. We are sure to get the Hunt Club *rock'in* once again with musical performances throughout the evening by the very accomplished *Mr. Paul Zubot* with *“The Journeymen of Soul”* and vocalist *Shelly Farris*!

Thanks to so many in this generous community we have completed over 29 years of uninterrupted cutting edge Research for Metachromatic Leukodystrophy (MLD)...at London's own Children's Health Research Institute... but we have more work! This is both an exciting and daunting time as we collectively begin the final push to find a treatment ... a fully funded Clinical Trial thru of Health Canada! With *your* help, funds raised from **“SOMEWHERE OVER THE RAINBOW”** will support *“Bethanys Hope MLD Research Laboratory”* here in London under the direction of Dr. Stephanie Newman of Western University.

I look forward to discussing all the details in this Sponsorship Package with you in the near future. All the information for this amazing Charity Gala as well as a re-cap with photos from last year can be found at www.bethanyshope.org.
